01 — DESIGN & EXTERIOR

Emergent Aesthetics. Digital Rhythm.

The RX5 PLUS translates Roewe's emergent design language into a confident compact SUV — star-scale dragon grille with PERFORMANCE identity, multi-dimensional energy-matrix LED headlights, and quantum-cruise LED taillights completed by a Kunpeng aerodynamic rear spoiler.

Star-Scale Dragon Grille

Dimensional mesh with PERFORMANCE identity — bold front presence for urban and highway roads.

Energy-Matrix LED Headlights

Multi-dimensional LED clusters deliver a precise light signature and clear night visibility.

Quantum-Cruise LED Taillights

Distinctive rear light graphics echoing the digital rhythm of the PLUS design language.

Kunpeng Aerodynamic Spoiler

Rear spoiler inspired by aerodynamic flow — completing the emergent silhouette with purpose.

Colors (official site): Cosmic Gray (寰宇灰) · Basalt Black (玄武黑). Other finishes may appear by batch — confirm with dealer. Sport exterior kit on Trend Enjoyment grades and above where listed.

Curved Glass Display. Everyday Calm.

Across PLUS grades, a large 14.1" 2.5D four-curved glass center display pairs with a 12.3" full LCD floating instrument cluster. Mountain-river patterned seats with suede accents and the 47.8° electronic shifter define the cabin's tactile character on DCT trims.

CARGO FLEXIBILITY

**14.1" Curved Screen**

2.5D four-curved glass center display — crisp graphics and a modern floating aesthetic on every PLUS grade.

**Zebra Venus + AI Voice**

Venus connected system where listed; natural AI voice interaction (“你好，斑马”) for cabin control.

**Mountain-River Seats**

National-trend mountain-river patterning with soft suede accents on higher grades; heated seats on Supreme.

**47.8° E-Shifter**

Ergonomic electronic shifter on DCT trims — natural hand reach and confident gear selection.

**iMAX Panoramic Roof**

Panoramic sunroof listed across PLUS configuration tables — open, airy cabin light.

**Supreme Comfort Pack**

Trend Supreme adds power tailgate with memory, dual-zone auto A/C, heated seats, leather wheel, and more.

Where equipped. Power seats, heated seats, dual-zone climate, power tailgate, and 360° camera concentrate on Trend Enjoyment DCT and especially Trend Supreme — see equipment matrices.

03 — POWERTRAIN & CHASSIS

15C4E Turbo. 6MT or 7DCT.

Every RX5 PLUS shares the SAIC 15C4E 1.5T turbocharged engine — 133 kW (181 PS) and 285 N·m — with either a 6-speed manual (Trend Enjoyment MT) or 7-speed wet dual-clutch transmission. Front-wheel drive. RON 92. China 6.

TOP SPEED

Engine — 15C4E

- ◆ 1.5T turbo I4 · 1,490 cc · DI · aluminum
- ◆ 133 kW (181 PS) @ 5,600 rpm
- ◆ 285 N·m @ 1,500–4,000 rpm
- ◆ 6-speed MT or 7-speed wet DCT
- ◆ FWD · Top speed 190 km/h
- ◆ 0–100 km/h ≈ 9.3 s (where published)
- ◆ Fuel RON 92 · Emission China 6

Chassis & Braking

- ◆ MacPherson front + multi-link rear
- ◆ Electric power steering (EPS)
- ◆ Ventilated disc front / solid disc rear
- ◆ Electronic parking brake (EPB)
- ◆ Turning radius ≈ 5.65 m (where published)
- ◆ Tires: 215/60 R17 or 235/45 R19
- ◆ ~66% high-strength steel body cage

Warranty

3 years / 100,000 km whole-vehicle warranty (China-market published). Confirm local terms with an authorized Roewe dealer.

Connected Cabin. Assisted Drive.

PLUS grades share the large dual-screen digital cockpit and Zebra Venus connectivity where listed. Driver-assistance packs escalate toward Trend Supreme (智臻) — L1 ADAS with ACC, AEB, LDW, FCW, TSR, IHC, and 360° vision.

 Digital Cockpit 14.1" 2.5D curved center screen + 12.3" LCD cluster on all PLUS grades documented in configuration tables.	 Venus · OTA · Remote Venus + OTA on many Enjoyment grades; Trend Supreme adds App remote, Bluetooth phone key, and remote start.
---	---

Driver Assistance (Primarily Trend Supreme)

ACC Adaptive Cruise Control Full-speed ACC where equipped on Trend Supreme — maintains set speed and following distance.	AEB Automatic Emergency Braking Can apply braking assistance when a collision threat is detected.
LDW Lane Departure Warning Alerts when the vehicle drifts from the lane without intentional input.	FCW Forward Collision Warning Monitors forward traffic and warns of potential collision risk.
TSR Traffic Sign Recognition Supports awareness of posted speed and related signs.	IHC Intelligent High Beam Automatically switches high/low beam for night driving comfort.

Where equipped. 2025 / 2023 Trend Intelligence (智慧) typically: reverse camera, rear radar, conventional cruise — not the full ADAS pack. Trend Supreme (智臻) is the primary L1 ADAS grade. See page 09 for ● / — matrices.
